Dear Mr. Eshleman:

Kevin M. Helm
Executive Director

On behalf of the members of the Michigan Section, we are proud to second the nomination of Steve Parker as the next Secretary of the PGA of America. His extensive PGA governance experience, combined with his character, integrity, and leadership abilities, make him an outstanding candidate for this important role.

We firmly believe Steve's dedication to PGA Members and the professionalism he has demonstrated throughout this campaign have proven his readiness to step into the Secretary position and begin serving our Association on day one. He has been proactive in engaging with our Section's leadership, taking the time to listen, learn, and have meaningful conversations with the Michigan PGA. This endorsement comes after extensive research, thoughtful consideration, and interaction with all the candidates.

From his service on the PGA Budget, National Tournament, and National Properties Committees to his role as a District Director, Steve has developed a unique understanding of both the needs of our membership and the processes necessary to drive meaningful change. We look forward to working alongside Mr. Parker and the other officers to further elevate both the game of golf and the experience of PGA Members across the country.

Sincerely,

Dan Urban, PGA
